The "Bajra Guru Thungyur" World Peace Ceremony Management Committee 2012

उर्गेन साङ्गाग क्षोलिङ्ग गोन्पा, गोली-ट, गोल्ला, सोलुखुम्बु, नेपाल

Dear friends.

Thank you for taking heed of this e-mail and let us present this message of peace and good wishes from heart to heart.

My name is Antonio Daza, president of the Foundation Dreamers without Boundaries (Spain). I write you on behalf of "Bajra Guru World Peace Ceremony Thungyur Management Committee 2012, Katmandu", responsible for the organisation of the Vajra Guru World Peace Ceremony. .

Vajra Guru World Peace Ceremony will be celebrated from 17th April to 6th May 2012, in the region Goli (Solukhumbu), in the Himalayas of Nepal at a height of 3,100 metres. The purpose of this event is to recite 11,000,000 times the Vajra Guru Mantra for the benefit of all beings. More than 500 lamas from all Tibetan lineages will attend and also His Eminence Shechen Rabjam Rinpoche has already confirmed his attendance to guide the puja. Furthermore, we have sent a communication of the Ceremony to all root Lamas and Heads of the different Tibetan lineages, Buddhist masters of other traditions, yogis, and so on...to spread this event to all their centres, students and practitioners around the world.

We all are experiencing a significant transformation in the world. The world has never been so divided as now, religious wars, genocide, lack of respect for the planet, economic crisis, depression, poverty, the wave of natural disasters. The world needs more union and compassion among all beings. We feel that ceremonies like this can encourage a new direction for many people and can bring growth and prosperity to many corners of this world.

The Organizing Committee has asked us, along with the NGO Be Human Nepal, to help with the spreading of this event and with the collection of funds for the realization of this ceremony outside the borders of Nepal.

Sherchan.

We would like to invite you all to collaborate with your little financial contribution of 1.50 €. **Make an original gift full of good wishes for this Christmas.** Gift a Tibetan prayer flag to the person or group you wish. It will be personalized with their name and placed in the Himalayas at the ceremony site during its celebration. A simple and a symbolic way that enables those people you love to be present at sending their good wishes from the Himalayas to all corners of the world.

Furthermore, if you gift your flag before December 20th, we'll send a Christmas E-Greeting card to that person. You can choose from 6 images taken by a great Nepalese photographer Garauvman

Your donation will contribute financially to the preparations and development of the ceremony. The 1,50 € will be distributed as follows: 0,25 cts as Paypal commission, 0,25 cts to buy the flag and 1€ full donation to the event organization. With that Euro you will contribute to cover the costs of the pre-ceremony duties, food and lodging of the Lamas and Rinpoche, travelling, pujas, tramtations and others derived from the organization of the ceremony.

This ceremony join Buddhist centres of different Tibetan tradition, zen, yogis, gurus, and Vipassana meditation groups, practitioners and international organizations of Yoga, Reiki, alternative therapies ... people who work from the heart.

A Ceremony makes a call for unity and diversity beyond lineage, tradition, school, philosophy or religion. Working together for World Peace and for the change in the collective consciousness.

Therefore we would like to invite you all to participate in *the Collective Meditation for World Peace*. We are creating a registration network of different centres, schools, organizations that want to open their doors for the practice of meditation and Vajra Guru mantra recitation during the celebration of the puja and thus join all the Lamas and the High Rinpoche who will guide the Ceremony from the Himalayas. In that way every interested person or group may join this ceremony from the place of residence or from the habitual practice centre. We invite you to leave us the mail contact of your centre or your personal one if you want to meditate from your own home. We will send you all the information necessary to carry out the practice and record the number of recited mantras in the on-line mantra counter.
